BAD! BAD!! BAD!!!

Bad blood comes from bad digestion--bad stomach, bad liver, bad kidneys--at-tended with bad, foul, breath, coated tongue, bad taste, bad headaches, bad appetite and kindred symptoms. Bad as these are, and serious as the diseases to which they lead, Dr. Pierce's Golden Medical Discovery comes to the relief and cure of all these by regulating and invigorating STOMACH, LIVER, BOWELS and KIDNEYS, and putting all these organs in good order.

"Golden Medical Discovery" contains no alcohol, opium or other harmful drugs; neither does it contain sugar or syrup, which are injurious to some stomachs. Without any of these it retains its pleasant taste and marvelous healing qualities in the most trying climate. Don't let a selfish medicine seller cheat you out of your health by giving you a substitute. He's only looking out for a larger profit, not for your good. Shun him. Honest, unselfish dealers recommend the "Golden Medical Discovery."

"That your remedies are not for the few, but for the many is evident, for I personally know of many scores of persons who have been restored to health and strength by your medicines," thus writes Henry Landsberg, Esq., Alderman in 15th Ward, Buffalo, N. Y. of 124 Jefferson St. I know that Dr. Pierce's Golden Medical Discovery is most valuable in cases of derangement of the liver, having taken the medicine some two years ago when I had a bad attack of liver trouble, and I never used good. I have known Dr. Pierce for twenty-six years, and do not wonder at his success, for he is a physician and man of sterling qualities, is possessed of extraordinary skill, and he has in his Sanitarium a corps of specialists who are chosen because of their unusual knowledge and professional skill.

If suffering from any obstinate, lingering ailment, write to Dr. Pierce and get, free of charge, sound medical advice. He has the counsel and assistance of a large staff of expert specialists.

The People's Common Sense Medical Adviser, by R. Pierce, M. D., Chief Consulting Physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. Paper-bound, 64 pages, 25 cents. For mailing only, or cloth-bound for 31 cents. Address the Author, as above.

A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

"The finest contour of a female face, the sweetest smile of a female mouth, loses something if the head is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle--strength. If you are too lean the fat-producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatic.

Kodol

Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Dollar bottle holds 2 1/2 times as much as the trial, or 10 cent size.

DEFICIT AND JUNKETS.

Administration officials do not hesitate to express their concern at the growing treasury deficit. The excess of expenditures over receipts for the present fiscal year reached the surprising sum of \$30,116,434 yesterday. At this time last year there was an excess of receipts over expenditures of \$2,415,005.

There are only two months and one week more of the fiscal year, and treasury officials now have no hope that the deficit will grow less. To say that they are disappointed and surprised at the situation is expressing it mildly. The deficit for the first three weeks of the month of April was \$5,649,295. It is not expected to be so large as this in May and June, but under present conditions it is thought the deficit for the year will reach at least \$35,000,000.

Meanwhile official junkets are going on at a rate never before known in the government's history. The eyes of the administration are just beginning to open to this fact, and Secretary of the Treasury Shaw yesterday put his foot down hard on a proposed trip of Senators, Representatives and other officials to Alaska on a revenue cutter. The river and harbor committee has just finished a trip to the West India Islands on a government transport. At the same time Secretary Morton was entertaining a party on the Dolphin, including Speaker Cannon and Senator Hale, in Cuban waters. Preparations are now going on for Secretary Taft's party to the Philippines, which is the most pretentious excursion of this character ever undertaken. The party will include two score of people altogether, largely made up of Senators and Representatives.

In addition to this, five carloads of officers will be taken across the continent to Portland, Ore., in June to attend the opening of the exposition there, all at the government's expense. Members of this party applied to the treasury for a revenue cutter to take them to Alaska for the purpose of "investigation." Secretary Shaw has decided not to grant this request.

The enormous treasury deficit means the beginning of a campaign in the late summer and early fall on the part of President Roosevelt and administration officials in favor of legislation that will increase the government revenues. In the opinion of treasury officials there can be no hope of reducing expenditures in the near future. The only remedy in sight is more revenue from a reduction of certain tariff schedules for the purpose of increasing importations. The accounting now going on at the Treasury Department to enable the Secretary to make some estimate of the receipts and expenditures for the next four years has already progressed far enough to convince him that each year of President Roosevelt's administration will show a considerable deficit unless some provision for new revenue is made in the immediate future.

REV. WARD HELD BLAMELESS.

A dispatch from Claremont, Va., to the Richmond Times-Dispatch says:--Having seen in your paper several articles sent out from this place, purporting to give an account of an alleged occurrence in the vestry room of Ritchie Memorial Church, Claremont, on Sunday evening, March 26, and appearing in your paper March 29, also of the similar articles, the last appearing April 15, we wish to make the following statement: That there was some discussion between Rev. D. F. Ward and Rev. F. A. Ridout about the order of the services on the evening in question is undeniable, but it is equally undeniable that the greatest exaggerations have been published concerning the occurrence.

As soon as the publication on the subject appeared, Rev. Mr. Ward laid the matter before our vestry and made a statement, declaring that he had made no attack upon the Rev. Mr. Ridout, as stated in the papers.

Rev. Mr. Ward's explanation was acceptable to the vestry, and, acting under our advice, he did not go into print. The statement in the article of April 15, that Rev. Mr. Ward had been defended by his brother, an attorney, and counseled by him to apologize, are both incorrect, none but the vestry and the two ministers were allowed to be present at the meeting, and there was no question of an apology raised.

The Rev. Mr. Ward will continue in charge of Ritchie Memorial Church, Claremont, and Grace Church, Cabin Point. He has made many friends in this community, both for his Christian character and his zeal in his labors for the church. The church work here has prospered greatly under his care and we hope that this explanation to the public, though coming late, will correct any misapprehension into which persons may have been led by former incorrect statements.

Taking Desperate Chances.

It is true that many contracts colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding cold and paves the way for more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cure of colds, can be had for a trifle? For sale by Gibson & Timmon and W. F. Creighton & Co.
